Dear XISS Alumni of all Chapters

(Ranchi, Bengaluru, Delhi, Mumbai, Kolkata, Hyderabad, Gujarat, Pune) & others across India & the globe,

It is with great joy that Xavier Institute of Social Service (XISS), Ranchi, cordially invites you to be back to your *alma mater* to **Revisit, Recollect, Relive, Redefine and Renew** your past, present and future with cherished memories of dreams, successes, struggles, hopes and aspirations – personal and collective – from 9:00 am to 10:00 pm on 11 February 2023.

Yes indeed, it is going to be a **NOSTALGIA**, a **REMINISCENCE**, to capture the moments of **CONFLUENCE** in the midst of diversity, to **ReUnite** and Ignite the most important stakeholders, in the spirit of **Ven a Casa 2023**. Some of the recent alumni meets at XISS and in various Chapters have proven one thing – your roots are deep and foundations of the bonding strong. Many of you have either directly or indirectly helped XISS with corporate connect, placements, industrial visits, guest lectures, talks, seminars, workshops, etc., and preparedness of students to be market-ready, apart from some philanthropic activities. Come back to share your innovative ideas to take XISS to greater heights! I can assure you – your presence will be inspiring, motivating and thought-provoking. Can you ever imagine that your mere presence could be a pathbreaking experience or a turning point for some of the students?
